Minor in International Studies

The minor in International Studies provides an opportunity to develop an international perspective and to focus on those global issues that have significant meaning for and impact on today's interdependent world. The minor complements many Georgia Southern degrees and increases the graduating student's marketability. It consists of two required courses, Global Issues and Contemporary World Cultures. An additional 9 semester hours of courses with significant International Studies dimension in at least two disciplines other than the major must be completed for a total of 15 semester hours. Courses may be selected from the list of courses approved for the minor. Other courses must be approved by the director of the International Studies Minor.
