Quality Enhancement Plan (QEP):

GEORGIA SOUTHERN EAGLES!
WRITE! WRITE! WRITE!
WRITE!³

The QEP’s three goals seek to create more effective writing skills in the disciplines by impacting sophomore, junior, and senior undergraduates; these three goals are articulated using an acronym that evokes the University’s mascot.

- Enhance a culture of writing and critical thinking across the University.
- Graduate students with strong writing skills that transfer to the workplace and beyond.
- Link students and faculty with the resources they need to ensure writing excellence.

The QEP builds upon the freshman composition requirement and includes three Writing-Enriched courses students take in their chosen discipline.

A Team from the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) will be on campus March 31-April 2. They may talk with students during their visit. If so, let them know that you are excited about our QEP Plan!
