Description:

The Fledglings Field Trip Program is designed for the very young, Pre-K children, ages 4 to 5. During the 1 hour wildlife program, children are introduced to the concept of habitats, and the difference between wild animals versus pets, with a particular emphasis placed on NOT handling wildlife without adult assistance. Three (20 minute rotations) are included in this field trip - Down to Earth, Wildlife Program, and Raptor Walkway. The Flight Show is NOT a part of this field trip due to the students’ short attention spans and the potential for safety hazards.

Lunch may be scheduled by reserving the Ecology Pavilion for a picnic. If you would like to have your lunch catered by GSU Catering please contact them directly at 912-478-8681 to make those arrangements. The cost of the Fledglings’ field trip is $2.50 per attendee, including teachers, parents and chaperones. Bus drivers are free.

This field trip is not available in June, July or August.
