Bookstore Markup
Submitted by: Ted Brimeyer
3/25/2019

Question(s):

How much does the Bookstore markup the price of textbooks from the publisher?

Rationale:

If faculty are trying to assign affordable books for class, and keep the cost to students at or under $40, we need to know the amount any book will be increased by the bookstore.

Response:

3/26/2019: Approved. Forward to Univ Store Director, VPB&F, and VPAA.
