Subject of Discussion:

This is a continuation and development of issues surrounding "student success" and the role faculty play in that process. This discussion should result in a clear, articulate description of what student success means in regards to faculty work and responsibility.

Rationale:

Based on the brief discussions surrounding the two RFIs from the March 2019 meeting, the Senate should continue its discussion on the practical roles and expectations of "Student Success" initiatives. The Senate invites members of the Student Success Committee to participate in this discussion to share specific measures they've discussed or taken over the course of this academic year. See the March minutes for previous discussion points.

Response:

3/26/2019: Approved to move to the floor for continued discussion. The SEC invites members of the Student Success committee to share their initiatives during this discussion.
