Question(s):

Are all departments required to administer Student Ratings of Instruction (SRIs) via an online/digital platform for fall 2018?

If so, when and how was this decided?

Are Statesboro and Armstrong campuses using the same SRI form/instrument?

Rationale:

Section 317 of the 2018-19 Faculty Handbook states "Courses shall be evaluated by students in the same manner as the course is conducted" (p. 53). The requirement to conduct SRIs for all courses via a digital platform regardless of a course's mode of delivery is a clear violation of the Faculty Handbook.

Response:

11/12/2018: The SEC approves this to be forwarded to the VP for Academic Affairs.
