- Cost: \$7 per person

Program Description:

This summer there is something for everyone at the Center for Wildlife Education.

The SUMMER *Wildlife Connections* program is specifically designed for adults. Adult groups, organizations, clubs, church groups, etc. will be treated to an informative discussion with wildlife interactions presented by the Center's Executive Director, Steve Hein. Hein's discussion will focus on man's relationship with nature throughout the years, and the impact this relationship has on the future of wildlife and the natural world around us.

There are two program options:

Option A – 1 ½ hours to include an hour-long interactive lecture and a 30-minute birds of prey show*.

Option B – 2 hours to include an hour-long interactive lecture, a 30-minute walking tour (Raptor Walkway or Wetland Preserve), and a 30-minute birds of prey show*.

You may reserve the Ecology Pavilion for lunch at no extra cost. If you would like to have your lunch catered by GSU Catering please contact them directly at 912-478-8681 to make arrangements.

*During the summer months birds are presented on the glove, not flown.
