- Cost: $5.00

Program Description:

The Tadpoles Field Trip program is designed for Pre-K children, ages 4 to 5 only. During the 1 hour field trip, children are introduced to the concept of wetland habitats and wildlife, and the difference between wild animals versus pets, with a particular emphasis placed on NOT handling wildlife without adult assistance. Three rotations (20 minutes each) are included in this field trip – Waterfowl Pond, Discovery Logs, and Wildlife Program. The Flight Show is not a part of this field trip due to the students’ short attention span and the potential for safety hazards.

Lunch may be scheduled by reserving the Ecology Pavilion. If you would like your lunch catered by GSU Catering please contact them directly at 912-478-8681 to make those arrangements. The cost of the Tadpoles Field Trip program is $5.00 per attendee, including teachers, parents and chaperones. Bus drivers are free.

This field trip is not available in June, July or August.
