Wild About Wildlife

- **Age/Grade/Group:** Kindergarten through 12th grade and College
  - *This field trip is not available for children Pre-K and younger.*
- **Up to 120 students (20 MIN - 120 MAX)**
  - *You may bring fewer than 20 but will be charged for a minimum of 20.*
- **Program time (excluding lunch): 1 hour**
- If you would like to reserve the Ecology Pavilion for your lunch that will extend your visit by at least 30 minutes, and it will be scheduled at the end of your field trip.

**Description:**

The Wild about Wildlife field trip is for grades K-12th, as well as individual groups, organizations, and clubs. It is an abbreviated version of our Native Habitat field trip. One hour in length, this field trip consists of a 30-minute wildlife presentation and a 30-minute flight show of our Birds of Prey in the Center’s amphitheater.

New this year: You may choose one educational topic to be covered during the wildlife presentation of your field trip. The topics to choose from are- Food Chain, Habitats, Classification, Life Cycle, Basic Needs of Wildlife, Animal Adaptations, Grouping Animals, and Pets v/s Wild Animals.

Lunch or a snack time may be scheduled by reserving the Ecology Pavilion for a picnic. If you would like to have your lunch catered by GSU Catering please contact them directly at 912-478-8681 to make those arrangements. The cost of the Wild about Wildlife field trip is $5.00 per attendee, including teachers, parents and chaperones. Bus drivers are not charged.

**This field trip is offered in June, July and August but with no flight show. Instead the birds of prey will be presented to the group while being held by the Wildlife Center Staff.**
